

2017 Association Newsletter

PRESIDENT'S POST

Happy New Year! It's that time, we ask for a modest, minimum \$20, to keep your community moving forward.

This year, we are making some pricey repairs to our Dolphin Cove entrance sign. Thankfully the Carlin's, owners of Builders Spectrum Signs and DC residents, are performing the work at cost. However, the work is still pricey. So, whatever extra you can give we can use.

THANK YOU - Vice President, Jose Franco; Treasurer, Ronda McCoy; Secretary, Sarah Franco and Membership, Barbara Weinburger. Each are returning board members. Recognition to Jerry McCoy VP this past year and Linda Bernard for the email blasts. Space limits me, but I promise you, all are outstanding people!

SOCIAL MEDIA - Ten years ago, dolphincovepvb.com, a NO ad, NO cookie, site was born. More recently our Facebook group was added, contents somewhat overlap. Be aware, like many FB sites we have discussions that from time to time wander into opinion. We can use a hand with each.

PUBLIC MEETINGS - Assuming they'd be boring and I'd be asked to volunteer I used to dodge meetings, they aren't and we don't. Our four meetings are at the PV Library and run from 6:45 - 7:50 pm. There really is no time to pester anyone. If you want to help with something, just arrive a little early and ask. We know it's tough for young families to do "one more thing". Feel free to bring your children, perhaps a neighbor can watch them in the children's library. Each meeting zips through community updates, a speaker, law enforcement report, and open Q&A. Our March speaker is an SJC utility department engineer, hope to see you there.

We extend to you our annual appeal for a \$20 donation to finance expenses incurred in the upkeep of our entrance sign and island maintenance which gives a good first impression to our community, various community events, our annual fee to the state, monthly water bill, periodic newsletter and postage.

Our sign needs cosmetic repairs this year. Therefore, please consider contributing additional for these repairs. We are grateful for all contributions.

Inasmuch as home values in a community rest to a great degree on impression, it behooves us to maintain our homes, to keep yards mowed, free of loose debris, shrubbery and trees trimmed and pruned.

As always we encourage everyone to become involved. Thank you for your donation and for showing your pride in our community by caring for it!
