PRESIDENT'S POST

Happy New Year! It's that time, we ask for a modest, minimum \$20, to keep your community moving forward.

This past year, we made repairs to the Dollphin Cove entrance sign. Thank you for your contributions that made this possible.

PUBLIC MEETINGS - Assuming they'd be boring and I'd be asked to volunteer I used to dodge meetings, they aren't and we don't. Our four meetings are at the PV Library and run from 6:45 - 7:50 pm. There really is no time to pester anyone. If you want to help with something, just arrive a little early and ask. We know it's tough for young families to do "one more thing". Feel free to bring your children, perhaps a neighbor can watch them in the children's library. Each meeting zips through community updates, a speaker, law enforcement report, and open Q&A. Our March speaker is an SJC utility department engineer, hope to see you there.

We extend to you our annual appeal for a \$20 donation to finance expenses incurred in the upkeep of our entrance sign and island maintenance which gives a good first impression to our community, various community events, our annual fee to the state, monthly water bill, periodic newsletter and postage.

Inasmuch as home values in a community rest to a great degree on impression, it behooves us to maintain our homes, to keep yards mowed, free of loose debris, shrubbery and trees trimmed and pruned.

As always we encourage everyone to become involved. Thank you for your donation and for showing your pride in our community by caring for it!
