

2023 Association Newsletter

PRESIDENT'S POST

Each association meeting has a captivating speaker. In 2022 we heard from Joe McAnarney (Development Activist), Debra Mixon (Native Plants), Mary Finnan (GTM Volunteer) and Dr. Quincy Gibson (Marine Mammal Behavior Biology). In 2023, we have a presentation on the Florida Trail and await responses from a local historian, code enforcement, traffic engineer, home improvement expert and our recently elected county commissioner. To provide more time for our speakers and important topics of community interest, we've pushed the *starting time up to 6:00pm*.

Also, this Spring and Fall we will resume "Movies at the Park". Watch the website or Facebook for all event dates. Have an idea or suggestion? Reach out to dolphin.cove@outlook.com.

Our annual Board election will be held at the February 28th meeting, and a couple of our board members are stepping down, so please attend and consider running for office. Thinking about running for county commission, the state house, etc? one year as an association board member is a great first step. If you are a young professional, "board member" is a fine item on your resume...seriously. Trust me, I know it's a long day and board member sounds like work, it's NOT, we meet four times a year and I promise, our board members are all friendly, effective and look out for one another. Besides, new folks keep things fresh and fun!

Thank you, current officers: Eileen (VP), Ronda (treasurer), Karen (secretary) and Justin (membership)!

Remember to send in your (\$30 suggested) membership...it covers events and newsletter expenses. Your donation also maintains our entrance sign, its pressure washing, island maintenance, irrigation water, replacement plants, shrubs, and palms. As we know, A1A traffic and salty ocean winds really beat up the entrance. Checks and PayPal (see dcPVB.com) accepted.

Thank you for all you do to make this community a wonderful place to live, raise a family or retire.
